Q: Do non-violent non-jihadis get rewarded in Paradise? My understanding is that ALL non-Muslim (non-jihadis) get reward in Paradise. Muslims are said to not have to live on earth among non-Muslims, although Sufis are said to live among them so long as the non-Muslims are not the cause of their heretical doctrines. I gather also that if a Muslim (or any soul) does not get into Paradise he will spend eternity in Hell. My question is, does this apply to non-Muslims too? If a non-Muslim didn't follow Islam is he guaranteed entrance into Paradise? If he did follow Islam, how can one be sure that he will not go to Hell? A: Ahmed Ibn Taymiyya explains that the non-Muslims will be held accountable for their actions of disbelief (Kabaara). However, the best scholar explains that the non-Muslim is rewarded with a place in heaven. But no reward will be given for disbelief: And what of the disbelievers who die and find no way of escape from the Hellfire? Does not a word from the Most Beneficent reach them? Has He not thrown those who disbelieve into Fire? Does He not provide a clear revelation in the Qur'an? And they invite to other than the way of Allah. Can you not see that some faces turn pale while they listen? ﴿يَا قَوْمِ إِنَّا كُنَّا بَعْدَ مَا جَاءَنَا بُرْهَانَ رَبِّنَا أَتَيْنَا الْبَنِيَّانَ الْكُفْرَ الْبَاطِلَ ۗ﴾ (7:179-180) And as for those who disbelieve, neither their property nor their offspring will avail them on the Day of Resurrection against a white thread [set] on their hearts. And they will have a great suffering. (Quran 7:172-173) Here, the scholars try to argue that disbelievers are not responsible for their disbelief because they are not able to do any wrong: And this because they have been given trust (not on account of their own efforts): it is Allah's command, and they love it; (3) And most of them do not know. (4) And they say (to one another): "If we had faith
